## DRIVER LICENSE OFFICE TO CLOSE THIS MONTH

**TITUSVILLE** - The Florida Department of Highway Safety and Motor Vehicles announces upcoming changes to the local driver license office, located at 2290 Columbia Blvd., Titusville, FL 32780. The last working day will be Oct. 12 at 5 p.m. The Brevard County Tax Collector will be adding driver license services to the office located at 800 South Park Avenue in Titusville.

“The growing partnership we share with the Brevard County Tax Collector, Lisa Cullen, and her staff is beneficial to the residents of Brevard County,” said Division of Driver Licenses Director Sandra Lambert. “Her willingness to assist customers with excellent service will provide motorists with an opportunity for one-stop shopping because they will be able to receive services related to motor vehicle titles and registrations and driver licenses at one, convenient location.”

The Department will continue to serve motorists at the office located at 601 East University Blvd., Melbourne, FL 32901-7121. The Brevard County Tax Collector also provides driver license services at three convenient locations.

- 1450 N. Courtenay Parkway (Merritt Island)
- 240 E. Eau Gallie Blvd. (Indian Harbour Beach)
- 450 Cogan Drive SE (Palm Bay)

“We are pleased to be able to assist the residents of Brevard County by offering these services,” added Brevard County Tax Collector Lisa Cullen. “We hope to continue this strong working relationship with DHSMV as the transfer of services continues. The goal now is to make sure this is as seamless as possible for our customers.”

Florida now requires additional documents to obtain a new or renewed driver license or identification card. Prepare for your next visit by bringing documents to show proof of 1) identification, 2) Social Security number and 3) residential address (two items). Customers who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you, visit [www.GatherGoGet.com](http://www.GatherGoGet.com). The Department also has a Facebook page where customers can inquire or keep up with news that impacts Florida motorists at [www.facebook.com/GatherGoGet](http://www.facebook.com/GatherGoGet).

The Department encourages customers to skip the trip and conduct their driver license business online at [www.GoRenew.com](http://www.GoRenew.com), where they can access various online services. Customers can renew their driver licenses, ID cards and vehicle tags, as well as change their address all from the comfort of their home or office. There are no surcharges for using the Internet. If a customer has received notification from the Department that he/she will have to come into an office, he/she can make an appointment at [www.flhsmv.gov/oasis](http://www.flhsmv.gov/oasis). The online appointment service is an excellent time-saving tool.

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement.
